Resprays - Due to nature of the work, your paintwork will be damaged during repairs and alterations, so we would recommend a respray. For more information on resprays, please check our separate respray pricelist.

Retro & Classic Parts - We stock a large range of retro and classic parts, suitable for traditional steel frames. If there is anything your struggling to find, we would be more than happy to help.

Postage & Packing - If you are unable to visit our shop in Yorkshire, we are happy to receive your frame via courier. You can either arrange a courier yourself or we can arrange a collection for you.

Frame Return Postage & Packing	£30
Frame Collection & Re-Delivery	£50
Complete Bike Delivery (price depending on location)	£50-100 approx
Complete Bike Pickup & Re-Delivery (price depending on location)	£75-150 approx
